N.B. Whereas the Small-Pox has been very much in this Town this Year, and many Persons have died thereof; and knowing that it would be expected I should give some Account thereof: I have made a careful Enquiry thro' the Town, and have found that in the Parish of *All-Saints* 485 Persons have had the said Distemper, whereof 76 have died; St. *Sepulchre*'s 175, whereof 21 died; St. *Giles*'s 131, whereof 23 died; St. *Peter*'s 30, whereof 6 died; in all 821, whereof 126 have died. There have been buried in the Parish of *All-Saints* 58, St. *Sepulchre*'s 20, St. *Giles*'s 29, St. *Peter*'s 14, in all 121.

I have the Pleasure to assure the Publick, that on the 18th of this Instant *December*, when I finish'd my last Enquiry thro' the Town (by Order of Mr. Mayor) after the Number of Persons then afflicted with the Small-Pox, found only 3.

Alexander Phillips.
